

PMP[®] Passport

4 day programme

Why choose the Institute?

The Institute of Project Management has been providing excellence in project management education and certification for over 20 years.

At the Institute of Project Management, we pride ourselves on making sure that you are prepared to pass PMI's Project Management Professional certification exam on your first attempt.

Our instructors have a minimum of 15 years of experience in multiple industries ensuring our course is filled with real-world examples. Our course designer is a project management education and training specialist of international repute.

Course Overview

The **PMP Passport** course is ideal for anyone preparing to sit the PMI® Project Management Professional (PMP®) exam and meet the 35 contact hours of formal training in project management requirement.

Through practice exams, and practical exercises, participants will focus on key concepts, terms, and principles necessary for successfully passing the PMP® exam.

After our 4-day PMP® training you will have all the knowledge and tools needed to take the next step in your career.

Who is this course for?

This course is intended for individuals who have at least 3 years of project management experience and want to get certified. Prior to taking the exam the PMI® requires you to prove you have 3+ years working as a project manager.

However, this course can be taken by anyone who wants to learn the fundamentals of project management.

Why choose the PMP® Passport?

We provide everything you need to successfully pass your PMP exam first time.

Eligibility Criteria

The PMP® Certification is awarded by PMI USA; it is PMI's most popular credential and is internationally recognised. Training and education organisations do not award the credential. Their role in the process is to meet one of the eligibility requirements i.e. delivering 35 hours of formal project management training.

To be eligible to sit the PMP® (Project Management Professional) examination, a candidate must first meet the following specific education and experience requirements:

Route 1

Primary Degree
Bachelors degree or
International equivalent

3 years+
PM experience
4500 hours

35 Hours
of formal PM Training

OR

Route 2

Leaving Certificate
or International equivalent

5 years +
PM experience
75000 hours

35 Hours
of formal PM Training
